President's Report 2004

What a year the club has had with four out of the five teams making the SHA finals. We increased our playing list substantially to a record 77 members, allowing us to enter a fifth side in 3.2, which in turn forced our fourth grade team to go back up a grade (returning to 3.1).

The club introduced many new policies and with the coaching grant approved by MUSA gave us the opportunity to bring in new coaches with fresh ideas.

2004 again started with the traditional pre-season training in and around The Middle of Nowhere fields. The fitness levels of each player concerned grew due to this training and with the pre-season trials. Drawing to the end of the season the club started to focus on the finals.

The last round match determined if our first grade side would make a clean sweep of all 5 grades in the finals. Unfortunately they just fell short.

We fielded five teams in the SHA, with all teams providing highlights throughout the season. Seconds would consider themselves unlucky after drawing their semi-final against Ryde and then watching Ryde destroy ASSG dreams of winning the grand final. Third grade were so close and with 2 minutes left in the grand final they may have thought they had won the one thing that had eluded them for quite awhile. But two very good late goals by ASSG spoiled the moment. Fourth grade, last year's glamour team, rose to a new level and in turn played a higher grade. They too suffered the same fate as third grade as they were beaten in extra time by a freak goal. Fifth grade turned out to be the surprise packet of the club.

With little experience but a strong commitment to each other and some intensive early season skills work they created a little piece of history by playing in the finals in their first year in the competition. First grade were unfortunate as they played with determination and grit in the first half of the year only to fall short when it counted. Again our main goal for next year is to recruit new players so the growth of our club continues and with that we can enter a team possibly in second division (2.3). In 2001 fourth grade made their appearance, 2004 fifth grade made their appearance and hopefully in 2005 sixth grade will make their entry into the SHA competition.

Congratulations must go to all coaches this season. Their enthusiasm and commitment advanced our club to another level.

First grade coach Ralph may have considered his first year as coach unlucky because the depth and talent in the team was incredible but unfortunately the opposing teams had recruited well and did not allow our team to play at their full potential.

Dave Holmes who in his second year as a coach did extremely well taking his side, second grade, into the finals.

Also one cannot go past the efforts of our third grade coach Ian (Toots) Jessup who produced a side worthy of winning a premiership.

Fourth grade, well, what can I say, two grand finals in two years, thanks guys.

Fifth grade coach Lenny was put into the position of coach and excelled. Under his guidance fifth grade played in the finals in their first year.

The committee has performed miraculously, with special mention to the tireless amount of work completed by our treasurer Ian (Toots) Jessup who juggled his appointment with his coaching responsibilities. The social side of the club was again held up by Lenny's vigorous work to keep the Maguts and Magettes drunk. Also thanks go to Gibbo (secretary) Tim Dunn (club captain) and Jussi for looking after the website.

Remember gentlemen there will be vacancies on the committee for next year so don't be afraid to volunteer.

Lastly we can hold our heads high because the club has continued to advance their status as a professional one. Many of the Premier clubs have kept an eye on us as we have increased our numbers and with the new field being approved will gain the opportunity to increase our playing list. The club also needs to develop a program where we entice juniors to come to the club. I mean Joe Dean only has two boys and Josh and Kemba wont be able to play quite a while so we need junior depth in our club.

As we draw to a conclusion of yet another year we can sit back and wonder what if we did this or that during moments of the game. Some players would consider that they and their team had a great year where others will be left wondering what happened to our team after the progress we made during the 2004 season. Personally I consider that we had a year of improvement and next year we can increase that level yet again. 2005 will be the year of the Magut.

Thanks Maguts for a season I will not forget.

I will look forward to the 2005 season with vitality and high expectations.

Craig. Williams

President Macquarie University Hockey Club

Secretary's Report 2004.

As MAGUTS Secretary for 2004, I reckon I've been in a pretty good position to see some positive things happening for the club both on and off the field.

With club membership at a record high of 77 this year (!!) thanks to a huge influx of actual, real, current students to our "University" side, the admin side of things has had to step up a notch.

Clearly, as secretary this has been a huge deal, with extra pieces of paper to take to-and-from the gym, extended membership lists to forward, etc. Intense.

But seriously folks, I'd like to thank everyone who's contributed to the continued growth and success of the mighty MAGUTS, whether it was through involvement in Committee, bringing someone new to the club, getting involved in Uni O-Week advertising, or just turning up and consuming beverages occasionally. Its all good.

Indeed, our numbers have equated to success, as I'm sure will be spelled out again and again throughout this annual report, so ... well done, particularly to my fellow Mac Uni students who have stepped up to the plate this year.

Further happy sunshine news is on its way from the Uni direction as well, with slow but steady paper-trail progress at MUSA for our very own hockey turf.

I'm sure you'll all be happy to know that we shouldn't be losing any cricketing facilities to make way for it, but yeah ... some MAGUTS may still be actually at uni when the fields are ready to go. Touch wood.

Anyways, I've had a highly enjoyable year with the MAGUTS (yet again), and would like to thank everyone who has made my job as Secretary pretty damn easy, particularly Toots, who even takes most of the minutes at meetings, etc.

So, good luck to whoever takes on the demanding and strenuous secretarial role next year, and I'll see you all next season (or pre-season or in a pub).

Cheers, Gibbo.

TREASURER'S REPORT

An influx of more than 25 new members, many of them Uni students, has brought tremendous on-field success and an enormous challenge for the committee.

Adding a fifth team cost us an extra \$4,500 in SHA Fees – money we had not budgeted for.

At the time of the AGM we were financially in a deep hole (down \$5,500 for the year and in debt by \$1,000) but some late MUSA top-up funding and sponsorship money from Epping Hotel should ensure we finish 2004 maybe a little worse off but overall not too bad.

I have already registered our disappointment with the new powers at MUSA regarding our uniforms and the rather expensive price tag that accompanied them. I had budgeted for \$80 per kit (2 shirts, shorts, socks) to be funded 50-50 with MUSA but the final cost was about \$105 pre-GST. This further hit our bottom line.

Thankfully we were able to increase our turf training time at Ryde but again this meant another \$2,800.

What all the above means is that to put 5 teams on the paddock, fully clothed, and train twice a week costs \$411 per player before GST.

Our fees are the lowest in Sydney hockey but I anticipate an increase is needed to boost our coffers. I apologise for the cheap fees and uniforms affecting our bottom line.

What is painfully clear, and has been pointed out to MUSA, is that without our own field, a canteen and a venue for post-game functions we have little capacity to raise funds outside member fees and MUSA. As part of MUSA's new funding arrangement clubs will be rewarded for having a high student percentage and for the amount of money they raise – but not by lifting fees exorbitantly.

We desperately need some dedicated club members to work out how to raise over \$3,000 next year without having to dip into members' pockets for the lot. People recoil in horror at selling chocolates or raffle tickets but they bring in money from outside.

From 2005 the head coach position will be jointly funded with MUSA, reinforcing the need to have an independent source of funds.

We have an excellent working relationship with MUSA and I believe the club is heading in the right direction but we need more helpers.

I anticipate this being my last year as treasurer and hope to see more students on committee.

Lastly, I thank the coaches for their long hours and my fellow committee members for their work. Congratulations to the award winners and major milestone MAGUTS Spewy (450 games), Joe (400 games), Ralph (300 first grade games) and Kal (200 first grade games).

These four define what it means to be a MAGUT.

Best wishes to those players leaving us next year and a safe Christmas to those returning in 2005.

Ian Jessup

NOTES TO AND FORMING PART OF THE 2004 ACCOUNTS

(1) Consists of \$10,000 in registration funding and \$945 in management funding
Due to the extra costs of fielding a 5th team we will be asking for an extra \$4,000 so
we break even for the year.

(2) MUSA went 50-50 with the club on uniforms up to \$3,000 each

(3) \$6,000 for coaches in 2004, \$728 in late payment of 2003 coaches and \$182 for
Level 1 courses in 2004

(4) Late payment of 2003 sponsorship. A further \$1,500 for 2004 is due.

1st GRADE COACH'S REPORT 2004 by Ralph Scott

The pre-season was exciting as we welcomed several players of 1st grade calibre. After losing more than half the 2003 side this was a much-needed injection of talent. Nine sides contested SHA 1st grade and each of them played with vigour. The season began with two heavy losses to SWS & Saints, in which we conceded 12 goals & scored 1. By the 3rd match we were at full strength and began a sequence of 8 matches in which we played every side in the competition.

In this stretch we had 5 wins, a draw & 2 defeats. This "half-season" performance indicated to me that we had the skill & endeavour to challenge in the finals. During this period Tex gave a virtuoso performance against Ryde when he alone denied groups of 2 & 3 Ryde strikers on 4 occasions. Jimmy played a cunning game at centre forward & enabled us to convert Tex's brilliance by creating our 2 goals. We had a lot of fun demolishing Moorebank 8-1 & Shaggy's unadulterated passion upon scoring goals lives with me.

The best performance of the year was the 3-2 defeat of Minor Premiers Randwick. Dunny was courageous in the last line & Kal scythed through the best defence in the competition repeatedly, including a great assist to give Ryno the match-winner, after Marcus Reed had hammered us back into the game & Jakka gave us another. Ben Haynes came into the squad at this time & performed solidly. Also at this time Dean Crossingham, fresh from a four-year rest, ran into some fine form. He finished off Bankstown with a well-placed low drag flick from a short corner late in the match. The 2-2 draw with Saints (now PA1) at the airport was another strong performance with Baldrick (as he did so often) & Jake reading & shutting down the Saints classy attack.

Tom Cameron also scored a couple of excellent goals and later showed some class at right half. So at the halfway mark we were placed 3rd on the ladder and seemed to be developing a robust defence. In the second half of the season our will and our performance faltered. We were still in contention for a finals berth as we entered the last match of the season but were unable to overturn a narrow 1st round loss to Easts. Consequently we finished a very disappointing 6th on the ladder.

Two factors prevented us from capitalising on our mid season form.

- Relatively low attendance rates at training. As the Coach I was disappointed that I was unable to motivate stronger attendances at training.
- Our lack of belief in each other. During the 8 match sequence highlighted above most players in the team queried the value of someone else in the team. This was in a period when we lost 1 match and were the second best performed side in the competition, so I was surprised by the feelings being expressed. I believe having played with so many of the playing group hindered our group accepting my message that our squad had achieved much in April, May & June & was the best we had to run with. Consequently we had little group belief over the last 4 matches of the season.

So it was great to launch ourselves into contention & disappointing to fade away. Consistency is the key to more regular success. I have outlined my thoughts to our executive on how to achieve this & look forward to a stronger Club next season.

Second Grade Report

2nd Grade experienced a bit of a rollercoaster year in 2004.

The start of the season saw us draw against St George, with us missing a late stroke, and then put in a blinder to beat South West Strikers at Narellan for the first time in seconds' history.

Unfortunately, the following 11 weeks saw us play some erratic hockey which wasn't helped by injuries to most of the half and back line that kept Woody, Gibbo, Dave Heydon and Dave Henschell out for several key games and Dale out for the final half of the season and several other players being promoted to 1st grade due to injuries in their ranks.

In those middle 10 games we had a 4-1-5 win-draw-loss record. This mid-season slump meant we had to win our last 4 games and score a ton of goals to have any chance of making the finals. Well ... the boys dug deep and did just that beating Moorebank 5-4, Randwick 5-1, Bankstown 6-1 and Easts 4-0.

That made us level with Randwick on points but ahead on goal difference and 4th position on the ladder. 11 different people scored the twenty goals scored in those last 4 games, with Ian scoring 4 of them and Floyd 5. The defence, and particular Fungy in goals, also had a blinder, conceding just the 2 goals in the final three games and holding out Randwick in the important 5-1 win. A real team effort!

In the semi-final, we came up against Ryde who had beaten us in both match-ups earlier in the season.

Being the lower placed of the two teams, we needed a win to ensure us a berth in the qualifying semi and a chance at the grand final.

Ryde scored early and led for most of the first half until Tim Austin slotted one home to level the scores – this was Bitch's 5th goal in 6 games since he was called up to seconds in round 13.

Alas, 1-1 is where the scores remained at the end of full time, extra time and sudden death. A great performance by 2nd grade but not enough to put us through. The only consolation being that the team that didn't beat us in the finals went on to win the Grand final.

Thanks guys for making my final year at the Maguts and my first year coaching Premier B such an enjoyable one. Unfortunately, we didn't quite get there in the end but we gave it one hell of a shot.

Cheers

Dave (Deadweight) Holmes

3RD GRADE REPORT by Ian Jessup

This year's grand final loss is going to hurt for a long time.

We dominated St George, a team that totally outplayed us in both rounds and the semi-final, and led 1-0 with two minutes to play.

Physically, tactically, individually, mentally: we were stronger.

Alas there was a crucial turnover, a penalty corner, a goalmouth scrap, the equaliser.

In extra time we copped some atrocious decisions and Saints found the winner. We had a corner after the siren but could not convert. Sad, but proud.

That we performed so admirably was no doubt due to the confidence gained from defending doggedly in the semi and then giving a fast, young, skilled SW Strikers side a lesson in the preliminary final – even if we needed extra time.

According to my records, this was the first time in 30 years our third grade had won a finals match.

Despite also entering the finals in second place for the first time in 30 years I wondered if we had what it takes to beat St George. They had twice thrashed us 5-1, we split our games with Strikers and the rest were not much. So for 90% of the season we were in second gear.

The semi-final, where we lost 2-1 to St George and led 1-0 with eight minutes to go, showed we could switch on and step up – but we were still outplayed. This was the first time all year I saw all 14 players really focussed – and they could see it in each other's eyes which was very important.

Against Strikers we lifted the intensity another couple of notches while remaining calm in our execution. It was superb, uncompromising play.

Here's what Saints said on their website about the grand final: "Down 1-0 for most of the game and being outplayed by a determined and focused Uni team..."

You don't want to read the rest. We know how it ends.

Thirds benefited from having some old hard heads from the 1994 premiership in Phil, Marcin, Greg, Ralph, Joe and for the grand final Marinco.

Joe scored a 3rd grade record 21 goals, Ralph bagged 15 and Joe's son Jack became the youngest MAGUT to score 10 goals in a season and earn a place on the club records page - at age 15.

Jack was also a standout winner of the club's Most Improved Award.

Simon Plummer and Chris Seletto relished the extra time and space after being dropped from seconds to keep the goals coming. Simon's effort to score in all three finals matches was outstanding.

Jim, Willem, Marcin and Bruce across the halves shut out opposing forwards while the fullbacks in Greg and Mark G x 2 pulled off a truckload of great tackles.

Glebe junior Tom Pacey and Ralph were dominant at inner and Phil in goals kept everyone on their toes. For the big one we were without Jim (working in WA) and Greg (broken leg) but Marinco and Toby were awesome in their place.

Thanks to all the others who helped out during the year that nearly was.

4th Grade Report

What can I say about a team that showed the ability to improve itself and enhance a game that already had produced a grand final appearance in 2003?. With the increase in numbers in the club, fourth grade returned to its original SHA grade of 3.1.

As the team lined up for its first game there were the familiar faces from last year – but it was a non-event as Wests went to the wrong ground. Our second game was miles away at St George's new field under the 3rd runway flight path and we suffered our first loss as Saints fielded 16 players and got away with it due to a bumbling SHA.

There were many good teams in our competition but only three standouts: Monterey, Glenorie and ourselves. So when the finals came about we knew our opponents' games and structured our game plan to their style of play. During the season we had many triumphs but luckily for us they out weighed the losses.

As the season progressed every player in 4th grade stepped up and improved their skills and knowledge. Many of these players had the opportunity to play thirds as they continued to throw out the challenge to the higher grades that they were not to just make up numbers in the club. Also our numbers at training were fantastic, allowing myself and Lenny the opportunity to fine tune their skills and concentrate on tactical and set plays

Again there were many outstanding performances throughout the season.

The player / players who gained attention are

- Dave Hellier (Players Player) as he came from the ever-improving fifth grade to play a fantastic role as a forward.
- Red Nutz (Toby) who received the Coaches Award: I met this player some time ago and thought that he could be a potential leader. So before the first game I spoke to him and advised him of his position within the team, he cursed me, but this did not deter him from leading the side into the grand final. Because he showed the ability control his game he was also selected to play in the third grade grand final.
- Lastly, Joey. As a centre half you couldn't ask for anyone else to play this position. He continued his fine form from the previous season and when he wasn't offering kind words to Rednutz he was guiding us through many tough patches. He controlled the backs with ease and therefore created the backbone of a strong side. He complained that we didn't allow him the opportunity to score goals so he defected for a few games to thirds and I suppose a few goals is a scoring spree. We had a few people drop in during the season due to injury and other commitments and I thank them for their time.

Overall 4th grade played at a standard that may have caused some concern with sides graded higher than us. Their determination, dedication, pride and self-esteem are everything you expect from a MAGUT.

I hope everyone enjoyed the season as much as I did. Thank you again for making my coaching year a rewarding one.

5th Grade Report

With the introduction of a 5th team the Maguts have grown in strength and numbers. I had the privilege of coaching a group of players who turned out to be a fantastic experience. A vast majority of these players had hardly played the game before but this did not hinder their determination and spirit throughout the season.

The season started better than anyone expected: a resounding victory over an opponent (Glebe 5-0) with years of experience. It came as a big surprise to all how well everyone played. They showed that they were a team not to be underestimated. Unfortunately the team was brought back to earth the following week with their first loss (ASSG 2-0). I suppose our greatest moment of the season was when we played Sharks. After 2 minutes we were down 1-0 but to the surprise of the spectators, the players and myself they ran their opponents down and smashed them 2-1.

The shattered looks on the Sharks' faces said it all.

As the season progressed every player in 5th grade stepped up to the task of playing against more experienced players and threw down the challenge to the higher grades that they were not to be counted out. Player skill and knowledge increased exponentially. Our numbers at training were fantastic, allowing the coaching staff the opportunity to fine tune their skills and concentrate on tactical and set plays

I would never have considered the team would do as well as they did. To play in the semi-finals is an experience the players will never forget, as is the unfortunate way in which we exited them.

Credit goes to all players in making the finals but special thanks go to: Kyle (GK), Owen Egan, Riley, James Doolan, James Abbott, Greg Whitehead (Linguistics), Peter Relf (Wanker Award Winner), Jeremy Chia, Simon Rourke, Tate Culley, Dave Newell, Anthony Gunn, Matt Hunter, John Chessell and Simon Byrne.

Simon Rourke's outstanding individual performance allowed him to excel throughout the season and for someone who has never played the game before gave me an insight into how I could structure training sessions, thanks Joey for bringing him along. Simon's unselfishness gave us a player who would play in many different positions, one occasion was against UNSW where he played GK and watched 13 goals go in but still continued to put his body on the line for the team. Let's also not forget Anthony Gunn who scored some awesome goals; Kyle did a superb job in goals, thanks for stepping into that role.

A special mention should also be given to Jeremy Chia who had an absolutely fantastic year. He turned up to most training sessions and really blossomed into a good player. I expect bigger and better things from him and I wouldn't be surprised if he was to step up to higher grades in the coming years.

Overall 5th grade embodied the true style and spirit of the MAGUTs. I hope everyone enjoyed the season as much as I did. It was a true enjoyment to coach, as this was my first year of coaching.

Thank you for making my coaching year a rewarding one. Let's see if we cannot improve on this year and make it to the grand final next year.

Lenny Furtado

ECG REPORT by Greg Whitehead

AS the ever faithful Maguts descended to that *wetpatch* down in Wollongong, we took with us high hopes and heavy spirits, ready to give it our all during a week that for many, we would remember for the rest of our lives.

Whilst some opted for a more convenient mode of transport, myself and the other *small boys* were escorted on the train by some very influential *Big Boys*. A train journey to start all journeys quickly set the pace and level of competition to come for the rest of the week. After a quick stop over at the local RSL we were on our way, only to find that we shared our carriage with ol' mate Grumpy and the entire Newcastle hockey contingent. Small Boy swapping ensued, and after much permanent marking, consuming and many a joyous recital of the Magut Oath we did arrive.

Our First game of *sticks and stuff* turned out to be played on a very dry wet patch indeed, the lovely lady who was in charge of coordinating the Men's hockey took a penchant to RedNutz immediately and his colourful oral gesticulations. Playing Newcastle in our first game we were unfortunately defeated 2-0, resulting in the scoring of only 1 point to our total. That night there was much discussion and ultimately a plan was formed to take our next days competition out of the water.

Upon arrival on the next day at the real wet patch of Wollongong, we were met by a disgruntled bunch of USYD boys who apparently had met some Maguts the night prior and were unfortunate enough to fall victim to the devious strategy of get the other team as wasted as possible so their hangovers are worse than ours. Once again we were unfortunately defeated 3-0 by USYD, resulting in only 1 point to add to our meagre total. Our next two games however, were our chance to shine, with some brilliant boys on the patch we were able to bring the match to a 1-1 tie which added 2 extra points to our now swelling total. All in all even though this game was a tie the truth is the UC boys know we won, cause we stole their mascot...

Our next game was our chance to excel with a match against the meagre Charles Sturt Uni of Wagga, once a certain member of our team fired up the fury and the super Coach added a word or two of advice we were able to smash those boys back home with a 1-0 win, adding 3 points to our total giving us a sum of 7 and putting us in fourth place for our pool. As the quarter finals rolled around and we rolled back in to the wet patch for a hard played game against the Uni of NSW, we pushed all our efforts forward unable to succeed resulting in a 2-1 loss, however, all was not over because we still had a chance in the semi finals against long time rivals ANU.

Subsequent to a quick perve of the ANU volleyballers we took to the wet patch in true Magut form, dressed to perfection ready to show the team called ANUS whose boss... and we sure showed them, with a 2-1 win we were ready to go into the playoffs for the AUGS. After some unfortunate plumbing problems on our balcony our team was a little lost for hope, but not without desire to make sure that we, as Maguts would not go down without a fight. In a neck and neck match against the boys from Newcastle we were brought to full time standing even 1-1 all. As the team was diminished down to seven players the powers that be brought the game to a sudden death penalty shoot out. We put in our all and stood there proudly as an entire Magut team, where triumph fell just through our fingers at the last minute. Our week down at the wet patch playing sticks and stuff had drawn to a close but the memories and stories go down in the history books like our *MAGUT forefathers*.
