PRESIDENT'S REPORT

2005 was a very trying year after the success of 2004 when we had a record 76 players in five teams, with four making the semis and two the grand finals.

This year we were back to four teams, 62 members and only third grade in the semis. They lost to Ryde 3-1 and were eliminated in the first week.

The apathy shown in poor training attendances in the winter months was reflected in our results: 2nd grade were unbeaten after four rounds yet faded to finish sixth. In the Premier B club championship we were second last, our worst result for some time.

I would like to thank our coaches Marcus Reed, Tom Pacey, Lenny Furtado, Jimmy Birkefeld and Toby Gratton-Wilson for their work this year.

Coaching is a thankless task and few members would realise how much time is spent preparing a team for training and games. A kind word in person to your coach will make them feel greatly appreciated.

On a personal note the club had a baby boom in 2005 with Marcin Firek and Phil Petersen becoming fathers for the first time, and Mark Gauci and Wayne O'Brien for the second time. Congratulations and best wishes as your families grow.

Last summer Dale Aitken and Simon Plummer married their loves.

Alex Gibson not only celebrated a half-blue for ECG all-star selection but recently announced his engagement at the end of a year in which he was a regular first grader.

While there was little to shout about from a team or club perspective, many members could look back proudly on some individual hockey achievements.

Our first grade keeper Andrew 'Tex' Liang finished second in the count for the PB1 Medal and James Birkefeld fifth. It was a disgrace that long-serving SHA president Kevin Flack, after whom the medal is named, denigrated our club during the medal count by inferring our two representatives were wasting their time at Macquarie.

Ralph Scott and Ian Jessup each reached the 400-game milestone and thoroughly enjoyed themselves playing for ACT at the Australian Over-40 championships in Wollongong in October. Overlooked by the NSW selectors, Ian and Ralph were each twice voted best player by their opponents.

This season Ian (211) became the second MAGUT after Joe Dean to score 200 goals for the club while Ralph took his tally to 141, third on the alltime list. Well done.

Congratulations to Players' Player winners Pete Jacka, Matt Floyd, Willem Koopman and Ben Wellfare. They are quiet guys who let their hockey do the talking and an example to the rest of us.

Likewise for first year player Tone Seale who won the Most Improved Award, and all those people who reached 50-game multiple milestones.

Lenny made his first entry into the record books with 11 goals for the season in 3rd grade while Ian cracked the ten-goal barrier for the eighth time in leading 2nd grade.

A big thank you goes to those guys who played two games on a weekend. It happened a lot this year which also told in our results.

We also welcomed our youngest ever member, 14-year-old James Dean – son of Joe and Judy and brother of Jack. This family has served Macquarie magnificently for almost 30 years.

Looking outwards, the club is at a crossroads.

SHA plans to restructure the competition next year and we may be tantalisingly close to finally getting our own turf – in partnership with UTS most likely.

These two changes present serious challenges for the committee and all members.

A mountain of work needs to be done before the field is built to ensure we can benefit financially and strategically. I urge everyone to attend the planning day that MUSR is hosting.

The reluctance of people to step forward and take leading roles at the MAGUTS leaves 95% of the work to a couple of dedicated guys.

This cannot promote efficiency or build success. Many hands make light work.

Have a serious think about what managerial / entrepreneurial / professional skills you possess and whether you could spare one hour a week to give them to the club.

A special thank you goes to club captain Chris Jacka who repeatedly stepped up to ballboy, umpire or generally help out at times when others who were rostered on couldn't be bothered – especially first graders.

Chris' efforts to get the adventure race up and running as an annual fundraiser were huge. If we are to survive financially we need to draw funds from the community at large and the fun run is an ideal vehicle.

I do not see any future for myself on the club executive due to work and family commitments and after 13 years across the three major positions I'm quite frankly fed up with the general apathy of most members.

We need a strong, visionary student presence on the executive (and committee) to further strengthen ties with MUSR.

The threat of the VSU from a vindictive government blinkered by 1950s right wing ideology could mean that in a couple of years we are paying \$800 pa to play hockey.

If you are not prepared to cop that then put your hand up to help raise funds, find sponsors, attract quality players and coaches etc.

My time at Macquarie has typically featured the odd good year in amongst some rotters. The period from 2001-2004 was one of constant growth in all aspects of the club and it has come as a disappointment to suffer a reversal just when we looked set to capitalise on recent success.

Ian Jessup

Jan Jessup
2004 Treasurer.

NOTES TO AND FORMING PART OF THE 2004 ACCOUNTS

- (1) Consists of \$10,000 in registration funding and \$945 in management funding
- (2) MUSA went 50-50 with the club on uniforms up to \$3,000 each
- (3) \$6,000 for coaches in 2004, \$728 in late payment of 2003 coaches and \$182 for Level 1 courses in 2004
- (4) Included late payment of half the 2003 sponsorship.

Treasurer's Report

This, being my first year as MAGUTS treasurer, has been a massive learning curve for me. I started the year thinking my main duties were simply to collect fees which even that turned out to be more difficult than first thought. I must thank Ian greatly for all the help and guidance he has provided me.

Although last year was a huge success on and off the field, financially we ended substantially in the red after adding a fifth team.

This year a reduction in playing numbers and teams has reduced overall costs but without a sponsorship we will also likely return a loss.

We are over \$4,000 in credit with SHA ahead of their last bill which on past experience may be about that amount. Hopefully less than that.

Reducing our training time mid-way through the season to one night a week further cut overheads. Ideally, the committee would rather everyone turn up to both training sessions and we will start 2006 with 2 nights of training a week.

Unfortunately we weren't able to continue our sponsorship association with Epping Hotel and hence much of the committee's time was spent conjuring up ways to raise much needed funds. Most of the credit here must go to Club Captain Chris Jacka who did most of the organising for the first ever Macquarie University Men's Adventure race. We managed a small sum but the important thing is that the platform has been laid for more races in the future and gradually larger attendances.

I would also like to thank the coaches for their generous volunteer effort this year. As opposed to previous years, coaches from grades 2 down gave their time for gratis.

An impending fee rise next year will be discussed further by the committee although I'd like to remind everyone that our fees are currently still the lowest in Sydney. Even with a rise in fees we will still be amongst the cheapest in Sydney.

Then there are the issues of our own field being built which will secure our future even though VSU may 'unsecure' it. I'm not exactly sure how VSU is going to affect the club.

It has been a great experience being part of the committee and I appreciate the time and effort everyone has put in. Hope all MAGUTS have a safe a happy holidays and I look forward to seeing everyone fit and firing next year.

2006 will see the resurgence of the Mighty MAGUTS!

Cheers,

Jeremy Chia

1st Grade Report 2005 – Marcus Reed

With a new season of hockey dawning it was a time of renewing vigour and reclaiming fitness for the fight that was soon to break. But upon the clearing of fog, 6 members of the class of 2004 had gone missing whilst we greeted the return of Jacka II (Attack of the Clones) from his foray to the land of Tea and Scones.

The Watermelon made a return to the frontline after a season in self-imposed exile with 3rd grade during his guardianship of 1st grade. Along also came Ben H and a Bitch to claim their spots for a fulltime role in the big league. As did our biggest surprise packets; Jacka III (Revenge of the Sith) and Alex/Gibbo/Jesus/Funky Gibbon.

7 other sides made up Premier B, with the powers that be allotting three rounds and we were served up a fairly favourable draw. Yet still we ended up with a week's break before the first match (usually a bad omen), against the vile Ryde H-H.

True, we had lost some individual talent but damn had we become fast and quickly knit together. Although a 2-all draw, the game play itself was of a high quality which put hopes high as to how the rest of the year may unravel. Several members of the crowd were murmuring how it was the best game they'd seen the MAGUTS play in years.

Even a sub-par performance the following week, trouncing Sutherland 4-1, still showed patchy signs of that which would hound all teams this year. There on followed the big three that were always going to be trouble, yet I was confident of results at some point against them. Not in the first round, but signs certainly showed up. First up, Bankstown were at their usual annoying, super fit selves, but lessons had been learnt from our preseason drumming and limiting them to 2 goals a half was improvement enough, but lack of opportunities to score was disconcerting.

Along comes a weakened UNSW and the always formidable SWS. Very different teams, yet identical games with superb goalless first halves let down by three goals potted against in the second and too many missed opportunities by us in front of goal. Up next came Moorebank, who along with Sutherland had made their PB1 side their clubs 3rd grade squad. Utter MAGUT domination from start to finish for a 2-0 result that should have been more, which resulted in high praise from state coaches present.

A strong fightback to draw against Easts in a game that we should have won, followed by another quality tussle with Ryde for the same result. Then a bad 2-1 loss to Sutherland where again chances were spurned in front of goal. A solid physical encounter with Bankstown ended down 2-1 before two bad losses against UNSW and SWS with a combined total of 1 goal for to 10 against, rounded off with another dominating effort over Moorebank.

The final round started badly, concerning the table, yet the on field performances stepped up as a whole. Although results were not going our way the display of control of possession was quite something to behold, continuing to grow stronger. The games became much tighter, on field and on the scoreboard, except for an atrocious performance against Sutherland.

With some absolute dynamite performances against Ryde and UNSW (a pair of draws), and an unfortunate loss to Bankstown, this round was dominated by close matches, plus a much improved performance against South West Strikers, going down 3-1.

Our final standing of 7/8 was very disappointing considering the way we played.

Next year, with a better attendance rate, some focus can be given to set plays, converting chances and short corners – this should see the MAGUT first grade being a rather formidable team. Especially building off the back of the 3rd best defence in 2005, and so far set to lose only one player.

2nd Grade Report

The year of 2005 will be a year that should have been for 2nd grade. The season started on a positive note by gaining 6 points out of a possible 8 in our first four games. This came to a shuddering halt when the team came up with two shocking losses, conceding 12 goals. This stopped all momentum gained.

After the initial two games 2nd grade seemed to have dusted themselves off and began to replicate some of their early season and pre-season form. This once again stopped when Ian became sick and Gauci left the side. Players that were originally just part of the team had to step up into leadership positions. This, with a form slump, had the team in real trouble. But in true Magut colours the team kept turning up every week and putting in 100%. By the end of the second round of games the team was a new look side compared to the starting side at the beginning of the season.

The final round of games had the second graders still in sight of making the play-offs. But with costly draws to Easts and Ryde and a loss to Sutherland really ended any aspirations of making the semis.

Although the team was in with a shot to make the semi finals, they really didn't deserve to make it. 2nd grade had the worst attendance record for the entirety of the season. This was another reason for the mid-season form slump. The worst training night was before the game against Sutherland that was a must win. No second grade player turned up. The only two were Marcus and Lenny who were coaching their respective sides.

2nd Grade for 2005 I believe learnt a valuable lesson. That is that they learnt to fight above their weight. For much of the season there was a reliance on 3rd grade players. I consistently had the maximum of five players per week, which meant that about a third of the team was backing up. This really put more reliance on the fresh players, which had an effect especially in the second half of games where teams were able to run around the defence. The best example of this was in the third game against South West Strikers. At half time we were down 1-0. By the end of the game it was approximately 8-0. The team played to the best of their ability but without a high level of fitness it showed and 2nd grade paid dearly for it against the better teams.

Therefore I think the 2nd grade of 2005 didn't perform to its potential. The side on its day could match it with the best sides in the competition. So I think that it should be put down to a rebuilding period after the large loss of players that was incurred after 2004. It is my belief that next year if the core of the side sticks together that they will certainly be playing in September.

Thomas Pacey

3rd Grade Team Wrap Up

Well it's been a rollercoaster year for 3rd grade. There were a few highs, lows and a lot in between. We started off the season with a few losses due to the fact I moved away from the standard on field system of 5-3-2-1 and implemented the European system of 3-3-1-3-1. It took a few games for the team to find their feet. Understandably playing a new system was different to the norm but the guys soon learned how the play and we won our first game a few weeks into the start of the season.

Every player's skill and knowledge of the format increased steadily. This new format called for a sweeper playing in front of the marking fullback. So the sweeper became the defensive centre half leaving the regular centre half position to be played as a more attacking role. This role was given to Peter Relf who performed it outstandingly.

Playing this new system allowed us to move the ball up the sides of the field opening up the centre for the CH to distribute the ball with more space. This was clearly seen when we played Sutherland in the first round, totally carving them in the centre and attacking with crisp passing and quick movement of the ball.

One player who made a tremendous contribution to the team was Riley Ellsmore, having originally started in 4th grade. I convinced him to play 3s where he excelled in every game. His tackling and attacking skill brought a lot to the team. This is why I awarded him the coach's award. I would also like to thank Alex Palmer who helped fill in as goalie when Felchy was unavailable. He made a lot of fantastic saves and kept the defensive score line down on many occasions. I hope to see him in goals next year.

A special thank you to James Birkefeld for being my game day manager and filling in as coach when I was away on holidays. He did a great job subbing players and his helpful feedback every game helped me as a coach to give better direction to the team. Jimmy, I look forward to drinking that case of beer with you mate.

To all the players I didn't mention by name I just wish to thanks you and congratulate you on a good year. Hope to see you all next year with more attendance at training.

Overall I thoroughly enjoyed playing and coaching 3rd grade. I learned a lot and felt my game also improved as shown by top scoring for 3rd grade. I look forward to coaching again and should I coach 3rd grade again next season I hope to improve on our loss in the semi-finals and take us all the way to winning the Grand Final.

Regards

Leonard Furtado

4TH GRADE REPORT

The usual suspects trotted out for 4th grade this year, comprised mostly of last year's Fighting Fifts and some new guys who thought giving hockey a crack sounded like good exercise to build up a thirst.

And right they were, although we couldn't repeat last year's surprise semi-final appearance.

Tone Seale, possibly the only person ever to play hockey in Gym Boots, picked up the club's most improved award.

Other newcomers Aaron Chang and Esper Olesen scored memorable goals while the Logan twins Ian Ollivier and Adam Bollinger were inseparable in defence.

4ths benefited from the occasional appearance of Lenny, Marcus Reed and later in the season the return from injury of Derek Huxley.

We beat semi-finalist Bankstown twice and recorded 4th grade's biggest ever win, 9-0 over Glebe, but often found ourselves one goal short against higher-placed teams.

Still, the MAGUT spirit was always there despite often playing alone and being without our star players from last year Jeremy Chia, Riley Ellsmore and Peter Relf.

Dave Brennan had a solid season at centre half, Toby topped the goalscorers with 6 while Matt Hunter and Jeremy Swan bagged four each.

Ben Wellfare was a deserved winner of the Players' Player award and found himself in 3rds for several games.

There were very few blowouts and this augurs well for next season when the structure will again change.

Ian Jessup

The Maguts go to Tamworth – ECG REPORT 2005

An early Sunday morning we left on the bus to Tamworth for the 2005 Eastern University Games. All the Mac Uni teams were being put up at Farrer High school, a couple of k's outside Tamworth. Our games would be played next to the Golden Guitar.

Our first match on Monday morning was against the Australian Defence Force Academy. After starting out strong and holding the lead for most of the match, our opponents managed to snatch a late goal for a 2-all draw. A big disappointment was the injury to Tom "Dribbler" Pacey with a fractured finger, resulting in him being unable to play any further matches. Goals to Matthew "Rainman" Floyd and Sunil "Omo" Sajdeh.

A few hours later we were set to play our traditional grudge match against the eventual winners of the tournament: UTS. Featuring a strong line-up including a Chilean national player, we went down 3-0.

On our final match of the day we squared off against Wollongong. Playing a very aggressive game, the 'Gong won 6-1. A very impressive performance from our newly trained goalkeeper Bernd "Mangina" Dreir prevented this from becoming 15-1.

Tuesday morning our first match was against University of Canberra. We lost 6-0.

In our final pool match, we faced CSU Wagga. Putting in a great effort, we came away with a 7-2 win, including a double hat-trick to Sunil "Omo" Sajdeh, two to Toby "Rednuts" Gratton-Wilson, and one to our reserve goalkeeper David "Pervert" Blair.

Having qualified fourth in our pool, we were set to play the first place in the other pool: Sydney Uni. So at 8am on Wednesday braving the cold we faced off against a mostly Premier A Sydney Uni side. Despite our best efforts we went down 4-0.

Having lost the quarter-final we needed to win our final two matches to reach the 5th spot and qualify for AUG in Brisbane. Against UNSW, the Maguts put in a huge effort to keep the score 0-0. We went to golden goal extra time, with two players dropped off at each phase. Near the end of the second extra time period UNSW had a disputed goal awarded off a short corner. Particularly impressive was the performance of Greg aka "Frenchy", a tennis player we had recruited to cover the spot of the injured Tom.

In the playoff for 7th/8th, we faced ANU. Clay "Dad" Finnemore scored us an early goal, but after the intensity of the previous day, coupled with mounting injuries, we were unable to maintain the pace and ANU gained the upper hand, relegating us to 8th place.

Despite the many ups and downs, overall everyone had a great time. Sterling performances were put in from our captain Alexander "Troughboy" Gibson playing as fullback, Matthew "Rainman" Floyd in left-half and Jay "The Fonz" Rama in centre-half.
